

McHenry Software, Inc. Extra Dongle Order Form

Some users expressed interest in obtaining an extra dongle for their notebook computer and/or home computer to avoid playing the 'dongle shuffle' which is required to run *m-smac/m-edit* on different machines. We would like to make the use of our programs as convenient as possible and having a dongle for each machine you use is certainly a way to make it more convenient. So for a limited time any Licensee can obtain 1 additional dongle for \$400 or 2 additional dongles for \$650 (limit 2 per user).

Please check the appropriate line:
